# 5 guidelines for the LLL strategy

- 
- (1)** Life phase orientation
  - (2)** The learner in focus
  - (3)** Life Long Guidance
  - (4)** Competence orientation
  - (5)** Sponsoring participation in further training

# Continuing education and vocational training for adults in Styria

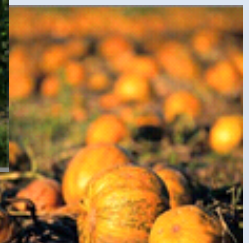

## Styria:

- 1.2 million population
- 13 administrative districts
- ~ 539 local authorities

## The continuing education landscape in Styria:

- ~ 340 education providers
- 6000 – 10 000 offers
- ~ 30 – 40 relevant education projects

# People who want to educate themselves further need...

- ... an **overview** of the training and educational possibilities
- ... assurance for the **provision quality**
- ... **support** for life-long learning provisions  
(information, advice...)

# Bildungsnetzwerk Steiermark

Bildungsnetzwerk Steiermark (The Styrian Education Network) is the coordination point for adult education and vocational training in Styria.

The network consists of 122 Styrian educational facilities.

**Bildung verbindet.**

# Services of the Styrian Educational Network

- Innovative developments in the provider context (quality development, barrier free adult education...)
- Initiatives that motivate learning (learning festivals)

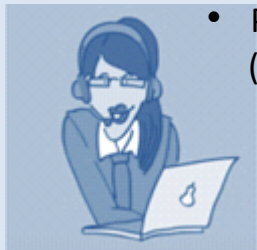

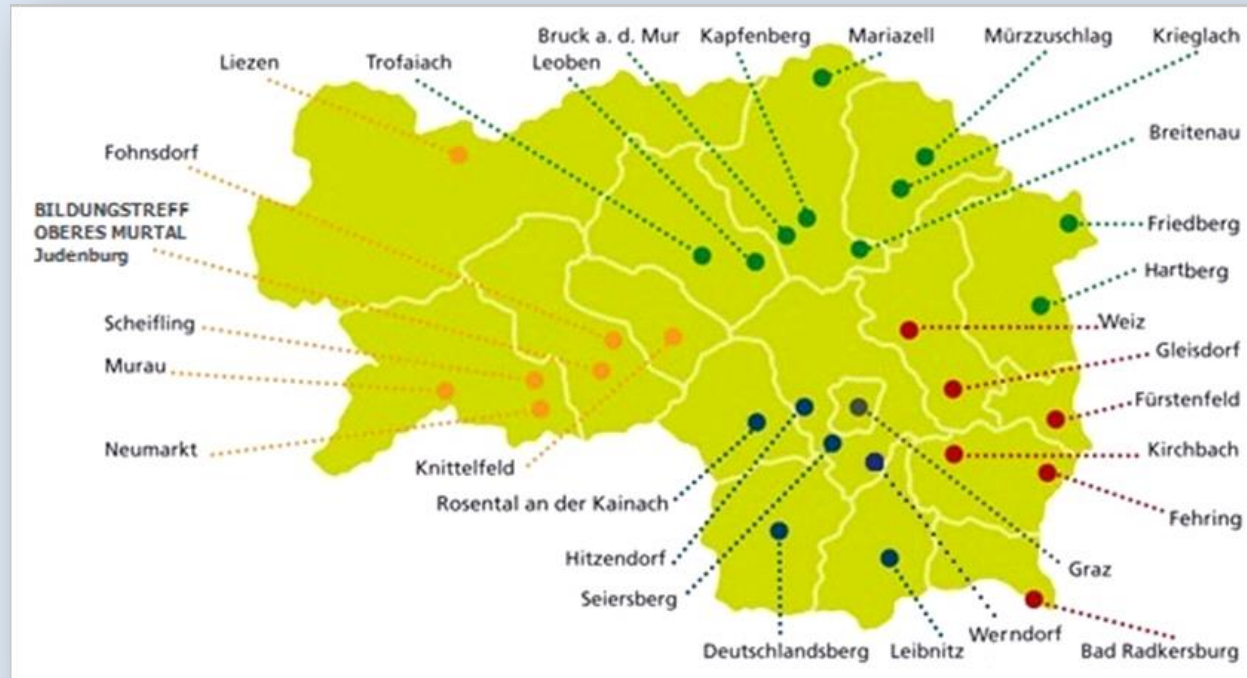

- The Styrian further education database  
[www.weiterbildung-steiermark.at](http://www.weiterbildung-steiermark.at)

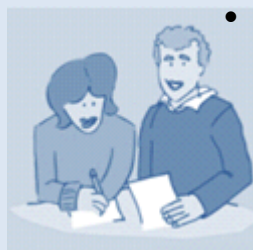

- Information and advice

# Information and advice

- Personal advice  
(31 information points)

- Educational phone &  
online advice

- Skill coaching

**A complex  
world**

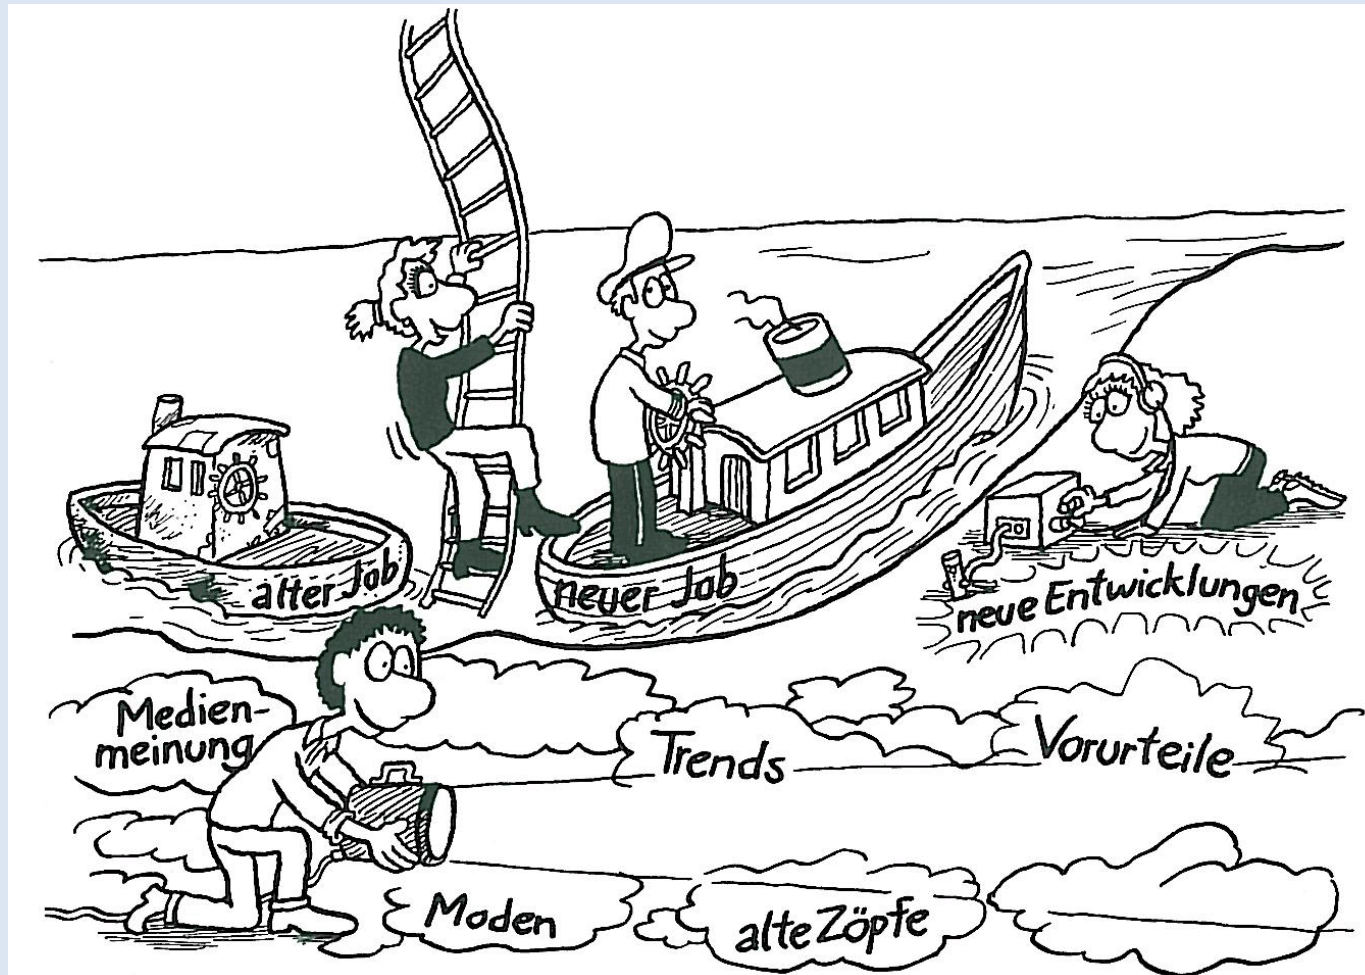

**Education** makes an important contribution  
to staying or becoming **capable of acting**

# Decision-making and responsibility

Education is like a well filled toolbox that you will not only help you repair the house, but also to construct it, to improvise and to design it.

Grafik aus: Bertelsmann Stiftung (Hrsg.): Warum Lernen glücklich macht.

# Thank you!
